

From Paris to Burgundy, explore France through the eyes of vintner and dreamer, Jean-Charles Boisset. Let the Paris lights dazzle you as you sip wine at the world's most desired destinations, including Michelin starred restaurants and exquisite hotels. Then make your way south to visit the very vineyards he grew up in... an experience curated only for you!

Begin In Paris...

Two exquisite nights in Paris... stay at the unforgettable Le Meurice hotel and journey through some of the most brilliant locations in the city of lights...

To kick off this magical trip, Jean-Charles will host you in his extraordinary 18th century apartment on Rue St. Honore for an enchanting evening with exceptional wines from his private collection.

All that Glitters...

The next day, join Jean-Charles for a Parisian whirlwind of sights, smells and flavors... Savor lunch and shimmering surroundings in the Cristal Room at Maison Baccarat, followed by an exclusive visit with Perfumist Marc-Antoine, the nose that helped Jean-Charles create his latest fragrances, to delve into his world of perfume.

Explore the wonders of the world's most iconic hotel, The Ritz Paris, and settle in for a stunning and sensuous meal with wines that will ignite your passion... and might just lead you to pure fantasy at Le Crazy Horse de Paris for late night cabaret!

Fall In Love With Burgundy...

After what's sure to be a wild night, we will change scenery and head toward the beautiful region of Burgundy... the home and beloved terroir of the Boisset family.

This will be a time of discovery, filled with history and emotion, to be shared together amongst the vines. Many secrets and surprises await you but you can be sure to fall in love with Burgundy and the beauty of everything Boisset.

Stay at Hotel Le Cep in the famous Hospice de Beaune, in the very heart of the most famous chardonnay and pinot noir region on earth. Let Jean-Charles guide you through his treasured estates including the recently completed, magical winery at Jean-Claude Boisset in Nuits-St.-Georges. Dine in its historical cellars and take in the sensation of the past and present moment.

Celebrate History...

Revel in the senses at La Maison in beautiful Vougeot to sip your way through Burgundian wines at their best. Take in the magic and antiquity of Chateau du Clos de Vougeot, a 12th century castle built by Cistercian monks, now uniquely available for you to enjoy an exclusive black-tie dinner just for us within the walls of history.

And of course, return to the roots of Jean-Charles and his sister Nathalie's childhood with a visit to both Jean-Charles' home and to the winery at Domaine de la Vougeraie – the family estate uniting a collection of the most prestigious, historical vineyards in Burgundy.

These are just the highlights... prepare yourself to be swept away and enchanted by a world that has fueled the passion of the Boisset family for decades. Santé!
